

Autumn 2025 Bulletin

Welcome to the Autumn Bulletin.

Autumn harvest and sowing were as smooth as could be and we fulfilled practically every single Member request including a very calm "my combine turned into a barbeque last night". Prices, however, are out with our control.

Sadly Kirsty is moving to a very good new job much closer to her home. We wish her all the best. If you or someone you know would like to join our team please see advert further down.

The office is moving to Milnathort over the Winter - we will keep you posted with the details soon.

Straw trading - If you have already told us about your stocks we thank you. If anyone else has straw available please let us know. If, on the other hand, you have a Winter requirement please get in touch so we can match you up.

Ring the Ring for Anything.

Join our Team

We are looking for a person to join our friendly team on a full-time basis (Monday to Friday 8am to 5pm). The candidate will be required to take requests from members and allocate the

most suitable solution for them using a computer database. The candidate will be required to have a reasonable knowledge of agriculture. If this sounds like something you are interested in, please email bruce@tayforth.co.uk for more information.

Sheep Dipping

We have members with mobile sheep dippers. This is a great service that can go straight to the field or shed to be done.

If you are having issues with lice, scab or even flies then this is the perfect way to cure the problem quickly.

All you need to have is a supply of water and the sheep ready with staff to push them up, the rest is done by the man on the dipper. (Note: the demander is in charge of disposing the dip after)

Our sheep dipping members are willing to travel for a good number of sheep/ lambs.

If you are interested in this service get in touch with us now on 01577 830616 or staff@tayforth.co.uk

Wanted to Hire or Purchase

Wanted - Class 8 or 6 Potato Boxes for immediate collection, Hire or purchase will be considered. Will travel to collect.

Please let us know if you have anything available. Email andy@tayforth.co.uk

Leather Repair Works

Something a bit different for a service we can now offer to our members is leather work and repairs. This can range from Saddlery work repairing and fixing saddles to all other leather repair work such as gun carriers, belts and the likes.

The member offering this bespoke service is happy to discuss any specific individual requirements.

Anchored in tradition, crafted with care. They are a saddler and leatherworker based in Fife, trained in saddle, bridle, and harness making. Beyond traditional equestrian work, they create and restore a wide range of leather goods- belts, bags, dog accessories, shooting gear, and more.

If you are interested in this service please contact us and we can put you in touch.

Training Autumn 2025 by Juliet

Now that combinable harvest is mostly over and potato harvest is underway, this is the time to think of your imminent training needs.

There are spare spaces in the following:

- 20Oct25 PA1 Safe Use of Pesticide - Milnathort
- 27Oct25 PA2/F Boom Sprayer - Larbert
- 05/06Nov25 Refresher First Aid at Work - Dundee
- 07Nov25 Emergency First Aid +F - Milnathort
- 11Nov25 Rodent Management - Glenfarg

Chainsaw and Forklift courses are currently in demand and being arranged.

Please contact Juliet on training@tayforth.co.uk for these and any other training requirements for the rest of this year.
