

Welcome and Goodby - by Bruce

There have been some major changes at Tayforth which we need to update the Members on. After all, it's your Co-op.

The office has moved to: Market House, Orwell Road, Milnathort, KY13 9DA. All contact details remain the same.

Sadly, the Directors have not renewed my contract and so I shall be leaving Tayforth on 31st December. They have decided to manage the day to day operations themselves for the time being. In due course they plan to advertise for a new manager and training co-ordinator.

You still have the very capable hands of Andy, Anna, Lorna and Judith to look after all your needs.

Jess Brown will be joining the team in January.

I wish to thank the Members, and staff for everything. It has been incredibly enjoyable working together for all these years.

Ring the Ring for Anything.

Monday 5th January - Back to Normal

Team Tayforth by Judith

As we approach the end of 2025 it's filled with both sadness and excitement. It's the end of a long journey with Bruce at the helm! For 35 years he has been taken Tayforth from its humble beginnings to the success it is now.

Andrew, Anna, Lorna and I would like to personally thank Bruce for his leadership, guidance and support over the years. And wish Bruce all the very best for his next chapter whatever that may be !

We are excited to see what the future of Tayforth brings and our move to the new offices was just the beginning.

In house training courses, new staff and fresh ideas to drive Tayforth forward with the board backing us to continue to improve and grow.

So many members have already popped in to see us when passing by and we look forward to seeing more of you in 2026!

As ever we are and always will be committed to you, the members and will continue to do our best in every way possible.

Wishing you all a merry Christmas and a happy new year

Training - by Juliet

I have spent an enjoyable and illuminating 6 months as cover for training. I have learned a lot and may I thank you for your patience!

It just leaves me to wish the wonderful team and new starts all the very best.

May 2026 be a successful year for all.

Please keep sending in your training requests
